

VIDEO TO DVD MASTERING - PRICE GUIDE

The following price guide shows the Encoding and Digital Mastering of Video Tape Footage to DVD Video.

We can convert video footage from USB or any of the following formats:
VHS / Super VHS / VHS C / 8mm / Hi 8 / Digital 8 / Mini DV / DV CAM / HDV / DVD / SD

Disc face can be left blank or Custom Printed with one of our many designs, or maybe a supplied photograph etc. with additional Graphics, Logo or Text.

Once your Master Disc has been produced, further copies can be made from The DVD Master at a very reasonable price. Please ask us for details.

Artwork set-up and design charges are included, together with clear cellophane wrapping of the Library Case.
